Recommended Training to prepare for this exam:

Interconnecting Cisco Networking Devices Part 1

OR 640-816 ICND2

Recommended Training to prepare for this exam:

Interconnecting Cisco Networking Devices Part

2

Certification Training

In response to recent requests for individual data certification training, the training department has negotiated reduced pricing with our online training partner ElementK. They have agreed to offer discounted pricing to all Frontier bargaining employees who are interested in obtaining online training for A+, Network+ or CCNA exam preparation.

Frontier bargaining employees can purchase unlimited access to a library of courses and virtual labs for a period of 1 year.

Note: ElementK is not an accredited educational institution and not eligible for Tuition Reimbursement

A+ (\$175 annually per user)

The A+ library includes 35 courses and vLabs, 503 topics to prepare for the CompTIA A+ exam
[View course listing for A+](#)

Network+ (\$175 annually per user)

The Network+ library includes 11 Courses, 190 Topics to prepare for the CompTIA Network+ exam
[View course listings for Network+](#)

CCNA (\$175 annually per user)

The CCNA (Cisco Certified Network Associate) library includes 38 Courses and vLabs, 344 Topics authorized Cisco training supporting the CCNA certification

Certification Testing Centers

The following national test centers can be contacted to schedule Cisco or CompTIA certification exams. Both Prometric and Pearson VUE test centers have local test locations in the Rochester area as well as other areas we do business in. There will be costs associated with each exam as noted below.

In most cases the cost of the exam fee(s) is the responsibility of the employee.
